

HOW DO YOU FEEL YOUR CHILD HAS SETTLED INTO NURSERY

- My child has settled in really well and enjoys different activities each day.
- Still in the process of settling in, but can see the difference.
- Settled well, loves coming in.
- My child has settled in well and enjoys coming.
- My daughter loves nursery and loves her key worker Laura even more, so I'm happy.
- Settled in easily and is happy to be at nursery.
- My child has settled in to nursery. She loved coming to have fun.
- The steady settling in period was re-assuring for my child and didn't 'overload' him. Meeting the teacher & key worker at home also helped.
- My child has settled in very well and loves coming.
- I'm happy with how she settled.
- Loves nursery, doesn't take a day off.

WHAT ARE YOUR OPINIONS ON THE 5 VISITS YOUR CHILD COMPLETED

- It was a good way for my child to get into coming.
- Excellent because my child was able to look around the nursery and meet and the staff.
- It's a good way for parents to be able to see how their child is settling in. Also you get to know the routine.
- The visits were good.
- I like the idea of visiting to get my child used to the place.
- The visits were good.
- Think it worked well, got into a routine.
- I was happy to complete the 5 visits for my child.
- It helped my child settle in better, made her feel secure being without me because she knew the teachers already.
- I liked coming to the visits with my child. I was able to increase hours everyday.

COULD WE HAVE DONE ANYTHING DIFFERENT TO SUPPORT YOUR CHILD WHILE THEY WERE SETTLING?

- I feel everything was done that could be to support my child.
- My child settled really well and was helped by all the staff.
- I think you did all you could.
- Very happy with settling in procedure.
- Happy with what was done.
- I am happy with how my child settled.
- I feel all support given to my child whilst settling in nursery was fantastic.
- Very happy with how my child has settled.
- Very happy
- Happy with procedure
- I'm happy with what happened
- Allowing my child to settle in with different people – passing him to different individuals each morning to get him settled with everyone
